

Vienna Beach Trophy 2022

This year's edition of our traditional Vienna Beach Trophy on 6th of August saw a record number of participants. 14 single women – competing in a Queen of the Beach format – and 37 men teams took part in the beach volleyball tournament. The competition was hosted by Aufschlag Wien and Vienna's Queer Melange and was held on 12 courts at beach volleyball centre Schmelz. The weather was quite ideal this time: 23 degrees C, albeit a bit windy.

Among the 14 women, Nora, like in the two previous years, could win the most matches. She was followed by Maria and Babsi.

The men's competitions took place in four categories. In level A, the highest category, the Austrian team "Bitch Boys" (Daniel and Stephan) made the first place. "Kuba and Dan" from Prague gained the silver medal this time. The team "Sky Ball Sukka" (Andre/GER and Andrei/BLR) won in B+. In B-, the third category, György and Gerhard ("Slower but less furious") made the gold medal, and in C, the team "TU VOIS LITUNNIL" (Romain and Pawel) won gold.

At night, many medallists, participants, guests and friends of the tournament celebrated at the closing party organised by Männer im Garten at Volksgarten Pavillon
