

Vienna Beach Trophy 2021

The 2021 edition of our traditional beach volleyball tournament, the Vienna Beach Trophy, attracted 70 participants – this is even more than in the last years. The competitions were held on 7th of August on 10 courts of the beach volleyball center Schmelz under ideal conditions: sun and 30 degrees C.

Thanks to the cooperation with Vienna's Queer Melange, the Viennese volleyball club for lesbians and (female) friends, 13 women competed in a Queen of the Beach format. Nora repeated her victory from the previous year, followed by Maria and Denise.

The men's competitions took place in four categories where a total of 29 teams fought for medals. In level A, the highest category, the Czech team "Kuba and Dan" (Daniel and Jakub) gained gold. Team "Tom Wanks & Tammy Salami" (Michael and Mario) won in B+. In B-, the third category, it was the team of Sand and Joel (DVA KITA) who won, and in C, the Vienna Vixens (Martin and Razvan) made the first place.

At night, the winners and many other participants, guests and friends of the tournament celebrated at the closing party organized by Männer im Garten at Volksgarten Pavillon.
